

KUSD is adjusting how we operate our free breakfast and lunch program in order to reach more kids. Below you will find a list of bus stops that will receive deliveries at the given times. We hope this helps families with a lack of transportation have better access to the meals. Most school sites and the Club for Youth will remain open. Due to low participation, the following sites may stop serving after the first of the week: White Cliffs Middle School, Desert Willow, and Lee Williams.
