Re: Cease and Desist from Donald J. Trump for President, Inc.

Dear Mr. Stringer:

I am COO of Donald J. Trump for President, Inc., the President's re-election campaign. It has come to our attention that you are misappropriating the President's name, image, and likeness in connection with your candidacy for Yavapai County Attorney to wrongly mislead voters into believing that the President endorses or otherwise supports your campaign—which is not true. The President's campaign thus demands that you immediately cease and desist using the President's name, image, or likeness in any way that suggests the President or his campaign endorses or supports your candidacy.

You are misusing a photograph taken of you with President Trump on your campaign's website (<https://votestringer.com>) and in ads ([https://www.youtube.com/watch?v=3E\\_OZizxVJ4&app=desktop](https://www.youtube.com/watch?v=3E_OZizxVJ4&app=desktop)) to suggest you are a "Trump conservative." Your use of the President's name, image, and likeness in this misleading way is unfair to Arizona voters. It wrongly suggests to the President's loyal supporters that the President backs your electoral efforts when that could not be further from the truth. Therefore, I want to make this clear to you: ***President Trump and his campaign do not endorse or in any way support your candidacy for Yavapai County Attorney.***

On behalf of the President's campaign, we demand that you immediately cease and desist use of this photograph of you with the President and any other uses of the President's name, image, or likeness that in any way suggests the President or his campaign endorses or otherwise supports your candidacy for Yavapai County Attorney.

Sincerely,
